

## CORPORATE, FINANCIAL, AND INFORMATION SECURITY

FPC's financial security initiatives brought the amount of unjustified losses recovered as a result of inspections in 2018 to over RUB 116.1 million and prevented losses for over RUB 3,150.1 million.

### Financial security priorities:

- inspections of the Company's contractors to monitor compliance with contractual obligations
- reviews of inventory records (delivery and storage)
- prevention of financial damage to FPC when providing passenger rail services and baggage transport services
- collection of receivables
- measures to enhance the Company's competitiveness on the market for carriage repairs and servicing, and train attendant services.

The Company's information security is ensured in accordance with the requirements of the Information Security Concept approved by FPC's General Director.

## OCCUPATIONAL HEALTH AND SAFETY

A total of RUB 572.5 million was invested in measures to improve working conditions and occupational health and safety in 2018, including RUB 18.5 million in the Safe Working Environment 2018 investment programme.

A total of RUB 239.1 million was spent on removing staff from hazardous working areas and installing new equipment to prevent injuries.

Supported by financing from the Social Insurance Fund, the Company was able to carry out preventive health and safety measures for a total of RUB 20.8 million.

Measures to create a safe working environment enabled FPC to obtain a discount of up to 40% (for a total of RUB 13.5 million) from the Social Insurance Fund on the insurance rate for compulsory insurance covering workplace accidents and occupational diseases.
